Diversity committee meeting 4<sup>th</sup> sat month

## Old Business

There was no old business on the agenda.

There was no other old business.

## New Business

Brian was contacted by someone who did not like the wording in the script re sharing phone numbers. Currently we warn against "predators". This person was incarcerated as a sexual predator and felt the warning was directed at him. This was never the intention. Brian suggests changing the wording from "There are predators who may listen..." to "There are those who listen..." Will supports this change. There was also a comment that it sounded prejudicial. Brian Asked if anyone wanted to make a motion. Will from CA made a motion to update the script as Brian suggested. Reed from PA seconded the motion. A vote was called for and many aye votes were heard. There were no nay votes so Brian declared the motion passed unanimously. Brian said the change would be made and implemented for the first week in September.

There was no other new business on the agenda.

Brian asked if there was anyone else who would be interested in being a moderator for this meeting in the upcoming month. Sean will contact Brian offline to arrange a Monday or two that Sean could moderate. Brian also shared his phone number 510-866-9478, as well as his email address ([mondayglbt@earthlink.net](mailto:mondayglbt@earthlink.net)).

The meeting was adjourned at 7:31 pm Pacific time.
