**1.2 Serenity prayer**

- God, grant us serenity to accept things we cannot change, courage to change things we can, and wisdom to know the difference

**1.3 Twelve traditions**

- Read by ?
  1. Our common welfare should come first; personal recovery depends upon SAA unity. 2. For our group purpose there is but one ultimate authority — a loving God as expressed in our group conscience. Our leaders are but trusted servants; they do not govern. 3. The only requirement for SAA membership is a desire to stop addictive sexual behavior. 4. Each group should be autonomous except in matters affecting other groups or SAA as a whole. 5. Each group has but one primary purpose — to carry its message to the sex addict who still suffers. 6. An SAA group ought never endorse, finance, or lend the SAA name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose. 7. Every SAA group ought to be fully self-supporting, declining outside contributions. 8. Sex Addicts Anonymous should remain forever nonprofessional, but our service centers may employ special workers. 9. SAA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve. 10. Sex Addicts Anonymous has no opinion on outside issues; hence the SAA name ought never be drawn into public controversy. 11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, TV, and films. 12. Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.

We are all together now, reaching out our hands for a power and strength greater than ours; and as we join hands, we find love and understanding beyond our wildest dreams.
