

## From the 12 & 12 Alcoholics Anonymous

### Step 3

To every worldly and practical-minded beginner, this Step looks hard, even impossible. No matter how much one wishes to try, exactly how can he turn his own will and his own life over to the care of whatever God he thinks there is? Fortunately, we who have tried it, and with equal misgivings, can testify that anyone, anyone at all, can begin to do it. We can further add that a beginning, even the small- est, is all that is needed. Once we have placed the key of willingness in the lock and have the door ever so slightly open, we find that we can always open it some more. Though self-will may slam it shut again, as it frequently does, it will always respond the moment we again pick up the key of willingness.

Maybe this all sounds mysterious and remote, some- thing like Einstein's theory of relativity or a proposition in nuclear physics. It isn't at all. Let's look at how practical it actually is. Every man and woman who has joined A.A. and intends to stick has, without realizing it, made a beginning on Step Three. Isn't it true that in all matters touching upon alcohol, each of them has decided to turn his or her life over to the care, protection, and guidance of Alcoholics Anonymous? Already a willingness has been achieved to cast out one's own will and one's own ideas about the alcohol problem in favor of those suggested by A.A. Any willing newcomer feels sure A.A. is the only safe harbor for the foundering vessel he has become. Now if this is not turning one's will and life over to a newfound Providence, then what is it?
