## 9. Urgent Business

- a.

## 10. On-going Business

- a. WIG appeal for TOC - could we put the retreat planning worksheet on our website, other places? Would be a helpful resource for everyone. Could also send out doc on WhatsApp (UK has a 300 person group, might be less cuz not all numbers necessarily current). Women's committee in UK does not have an events coordinator but they could use the info. How can we expand our knowledge of women's committees globally so we're reaching women with this or other information? We edited the appeal to instead of saying we have a subcommittee planning a women's retreat, saying we have funds available for people who want to plan women's retreats.
- b. Many people in the UK have never heard a woman share, so when they do, people come in droves. Communication about these events is mostly through WhatsApp.
- c. Could we get in touch with Jason T in the Bay Area who does an SAA podcast? Could we get some women's shares on there or maybe they

have some recordings we can feature on our website? There are MP3s available for purchase in the ISO store, but they require your address for purchase which can be off putting. Kristie to reach out to Jason. YouTube channel for podcast:

- d. Interesting topic: how men and women benefit from being in recovery together. Could pull soundbite from recent women's panel.
- e. Email WIG listserv to see what they want from WIG in 2023
- f. We could apply to do a WIG workshop at the 2023 convention
