14. Business postponed for the future

- A. Workshops - WIG is keen to have an online event but it will need support to create and host it. Access to a Zoom account is the first challenge.
- B. Future of the website - Dan currently has ownership of the WIG website and would like to transfer it over to WIG. Deborah has reached out for help in understanding this

process and requesting timings and fees information. Dan will find out how to start this process. There is no action for WIG to take.
